Special trains will transport a few thousand installation specialists and designers to the INSTALACJE 2006 show in Poznań. The event is held under the theme: “The Train of Viessmann and Friends” and aims at attracting the largest possible audience from all over Poland to the largest installation fair in the country. The project is a joint undertaking of Viessmann, Grundfos and the Poznań International Fair.

INSTALACJE 2006 will be held on 28 – 31 March. Trains of Viessmann and Friends will run on four different routes on four trade fair days:

- 28 March (Tuesday)  
Route 1: Kraków – Katowice – Opole – Wrocław – Rawicz – Leszno – Poznań
- 29 March (Wednesday)  
Route 2: Gdynia – Gdańsk – Tczew – Bydgoszcz – Inowrocław – Gniezno – Poznań
- 30 March (Thursday)  
Route 3: Warsaw – Grodzisk – Skierniewice – Łowicz – Kutno – Konin – Poznań
- 31 May (Friday)  
Route 4: Lublin – Dęblin – Radom – Łódź – Kutno – Poznań

Installation specialists who will accept this special invitation to INSTALACJE 2006 will be able to take a special train to Poznań and back home, to buy a trade fair ticket at a special price of 1 PLN and will be served refreshments in the trade fair inn.

Ardo-Studio, a Poznań-based company will be responsible for the organisation of the event.
